A.

Q.2 Do you have any comments you wish to add?

A. This will only benefit the elite ruling class of aboriginies. No one else wants this. We will not be locked out of our own country because we are the wrong type of Australian. No one is more racist than the aboriginies to want to claim and own everything and be paid so much for only taking care of themselves. 3% of the population will be the total ruling class if this keeps up nation wide.
