Chinese	126	57	42	205	..	440

1. One parent Australian born and one parent with a not stated birthplace or both parents with a not stated birthplace.

Note: Census respondents may select one or more Ancestry categories. Where a respondent marks more than one category, only the first two are coded. Care should be taken if adding responses together to achieve subtotals as double counting could occur.

1. One parent Australian born and one parent with a not stated birthplace or both parents with a not stated birthplace.

Note: Census respondents may select one or more Ancestry categories. Where a respondent marks more than one category, only the first two are coded. Care should be taken if adding responses together to achieve subtotals as double counting could occur.

Filipino	..	123	168	601	21	923

1. One parent Australian born and one parent with a not stated birthplace or both parents with a not stated birthplace.

Note: Census respondents may select one or more Ancestry categories. Where a respondent marks more than one category, only the first two are coded. Care should be taken if adding responses together to achieve subtotals as double counting could occur.

1. One parent Australian born and one parent with a not stated birthplace or both parents with a not stated birthplace.

Note: Census respondents may select one or more Ancestry categories. Where a respondent marks more than one category, only the first two are coded. Care should be taken if adding responses together to achieve subtotals as double counting could occur.

Maori	168	844	716	11	66	4,945	139	6,889

1. One parent Australian born and one parent with a not stated birthplace or both parents with a not stated birthplace.

Note: Census respondents may select one or more Ancestry categories. Where a respondent marks more than one category, only the first two are coded. Care should be taken if adding responses together to achieve subtotals as double counting could occur.

1. One parent Australian born and one parent with a not stated birthplace or both parents with a not stated birthplace.

Note: Census respondents may select one or more Ancestry categories. Where a respondent marks more than one category, only the first two are coded. Care should be taken if adding responses together to achieve subtotals as double counting could occur.

1. One parent Australian born and one parent with a not stated birthplace or both parents with a not stated birthplace.

Note: Census respondents may select one or more Ancestry categories. Where a respondent marks more than one category, only the first two are coded. Care should be taken if adding responses together to achieve subtotals as double counting could occur.
