

This is to certify that

.....

has successfully fulfilled the commitments required of a leader in the Get Active Queensland Active School Leaders program.

Congratulations on your effort and commitment during the training process and in the delivery of the program.

The program increases the quantity and quality of student participation in physical activity - it helps more Queensland kids get active!

As leader you have:

- * Undertaken leadership training and continuous follow up training through the program
- * Made a regular commitment of your time and services
- * Undertaken training from experts in the specific skills required to conduct the program
- * Accepted the responsibility of conducting the program
- * Developed leadership and communication skills
- * Learnt the life skills of responsibility, decision making, organisation and administration
- * Assumed a more active role within your school
- * Taught others the skills and knowledge you have learnt
