|-------------------|----------------------------------------------------------------------|-----------|
| <b>Section 8</b>  | <b>Changing constraints</b>                                          | <b>28</b> |
| 8.1               | 'Time' constraints                                                   | 29        |
| 8.2               | 'Nowhere to go' constraint                                           | 31        |
| 8.3               | 'Family responsibilities' constraint                                 | 33        |
| 8.4               | 'Health' constraint                                                  | 34        |
| 8.5               | 'Cost' constraints                                                   | 35        |
| 8.6               | 'Equipment' constraints                                              | 36        |
| 8.7               | Summary of constraints                                               | 37        |
| <b>Section 9</b>  | <b>Recreation setting trends</b>                                     | <b>38</b> |
| 9.1               | Changes in recreation settings                                       | 38        |
| <b>Section 10</b> | <b>'Nowhere to go' and recreation settings</b>                       | <b>47</b> |
| 10.1              | Current participants: 'nowhere to go' and settings for 2007          | 47        |
| 10.2              | Selected activities, setting and the constraint 'nowhere to go'      | 49        |
| 10.2.1            | Picnicking, 'nowhere to go' and settings for 2007                    | 49        |
| 10.2.2            | Walking and nature study, 'nowhere to go' and settings for 2007      | 49        |
| 10.2.3            | Camping, 'nowhere to go' and settings for 2007                       | 50        |
| 10.2.4            | Non-participants, constraint 'nowhere to go' and setting             | 50        |
| 10.3              | Summary of settings and the constraint 'nowhere to go'               | 51        |
| <b>Section 11</b> | <b>Trends in physically active forms of outdoor recreation</b>       | <b>52</b> |
| 11.1              | Changes to physically active forms of outdoor recreation             | 52        |
| 11.2              | Gender and physically active forms of outdoor recreation             | 55        |
| 11.3              | Other physically active forms of outdoor recreation                  | 58        |
| 11.4              | Motivational style and physically active forms of outdoor recreation | 58        |
| 11.5              | Summary of changes to physically active forms of outdoor recreation  | 61        |

|                   |                                                          |           |
|-------------------|----------------------------------------------------------|-----------|
| <b>Section 12</b> | <b>Changes in selected outdoor recreation activities</b> | <b>62</b> |
| 12.1              | Picnicking                                               | 62        |
| 12.2              | Walking and nature study                                 | 64        |
| 12.3              | Camping                                                  | 67        |
| 12.4              | Water activities                                         | 69        |
| 12.5              | Bicycle riding                                           | 70        |
| 12.6              | Motorised watercraft                                     | 73        |
| 12.7              | Non-motorised watercraft                                 | 74        |
| 12.8              | Horse riding                                             | 76        |
| 12.9              | Driving two wheel drive vehicles                         | 78        |
| 12.10             | Driving 4WD vehicles                                     | 80        |
| 12.11             | Other vehicles                                           | 82        |
| 12.12             | Abseiling/rock-climbing                                  | 84        |
| 12.13             | Fishing                                                  | 86        |
| <b>Section 13</b> | <b>Future research</b>                                   | <b>87</b> |
| 13.1              | Future demand studies                                    | 87        |
| 13.2              | Other research                                           | 87        |
| <b>Section 14</b> | <b>Conclusion</b>                                        | <b>88</b> |
| <b>Section 15</b> | <b>References</b>                                        | <b>89</b> |
| <b>Section 16</b> | <b>Appendix</b>                                          | <b>91</b> |
