

Your role as a Mentee

Taking part in a mentoring relationship can be extremely rewarding. This relationship requires adequate investment and time in order to deliver the outcomes you seek.

As a mentee, your responsibilities include:

- Take a proactive role in shaping the mentoring relationship
- Understand what you want to gain from the mentoring relationship, and communicate this to your mentor
- Explore your own strengths and weaknesses
- Develop a set of goals and evaluate them regularly
- Be honest and open with your mentor about challenges or weaknesses
- Take up opportunities to network and build connections
- Accept feedback and constructive criticism from your mentor
- Take responsibility for your own personal and professional development.
