

NDIS Quality & Safeguards Queensland Key Dates 2019

Until 30 June 2019, current quality and safeguard processes will continue to apply, including the requirement to demonstrate compliance with Queensland's HSQF standards to deliver prescribed services.

Providers wishing to register as an NDIS provider before 1 July 2019 are encouraged to commence the NDIS provider registration process as soon as possible.

1 January 2019

Queensland in final stage of transition to NDIS as Moreton Bay, Sunshine Coast, Noosa and Gympie commence phasing.

1 April 2019

Queensland cease accepting 'pending state approval' NDIS provider registration applications for prescribed services

Providers registering to deliver prescribed services under the NDIS need to submit applications for HSQF assessment before **1 April 2019**.

The department will cease accepting applications for HSQF assessment and approval from 1 April 2019.

Only completed NDIS provider registrations will be transferred to the NDIS Commission.

Incomplete provider registration applications at 30 June 2019 will not be progressed to the NDIS Commission and you will need to submit a new application to the Commission from 1 July 2019.

1 July 2019

NDIS Quality and Safeguards Commission commences operation in Queensland
