Title: Critical Incident Reporting Policy

Policy Statement
Critical incidents involving
- people subject to interventions by the Department of Communities, Child Safety and Disability Services
- departmental staff
- carers
- departmentally funded or licensed services

must be reported to the appropriate management level to ensure effective operational responsiveness.

Principles
The timely and comprehensive alerting of critical incidents results in:
- immediate appropriate advice and management of a critical incident including providing staff and client supports
- effective provision of incident information, data requests and briefings
- informed, accurate and timely responses to executive and media enquiries.

Objective
This policy aims to ensure that incidents of a critical or sensitive nature involving departmental staff, clients and services are alerted to the correct management level so they are dealt with quickly and appropriately.

Scope
This policy applies where departmental staff members become aware of an incident as listed in the attachment to the Critical Incident Reporting Procedure entitled ‘Critical Incident Types’.

Notification Process

Level 1 Critical Incident:
- immediate verbal advice to the Regional Director (or similar level officer); and
- completion of a Critical Incident report within four business hours of notification of the incident.

Level 2 Critical Incident:
- immediate verbal advice to the Manager (or similar level officer); and
- completion of a Critical Incident report by 5pm the next business day of notification of the incident.
Roles and Responsibilities

Managers:
- provide advice and guidance to staff about submitting Critical Incident reports and the level of report required
- immediately advise the Regional Director of all Level 1 Critical Incident reports
- be advised verbally of all Level 2 Critical Incidents relating to their area of responsibility
- receive alerts relating to their area of responsibility
- ensure that follow-up actions and activities are completed as required.
- ensure information is disseminated to all relevant staff where amendments to the Critical Incident policy, procedure and system are released.

Regional Directors:
- be advised verbally and receive Critical Incident reports for all Level 1 Critical Incidents in their region and/or business stream
- advise the Regional Executive Director of all Level 1 Critical Incidents in their region as soon as is practicable
- if the incident is ‘death-in-care’, ensure the agency has reported the incident immediately to a police officer or coroner. See Critical Incident Reporting Procedure (Section 5) and Section 7(3)(c) of the Coroners Act 2003; where required, provide direction for any follow-up actions and ensure that any follow-up actions are completed as required
- ensure processes are in place to provide opportunities for continual improvement and feedback to support staff involved in critical incidents
- receive all alerts for all regions and undertake the roles and responsibilities of as the Duty and Executive Officer as per the departmental roster and Duty Executive Officer procedure.

Regional Executive Directors:
- be advised verbally and receive Critical Incident reports for all Level 1 Critical Incidents in their region
- where appropriate, provide advice to the Office of the Director-General for Level 1 Critical Incidents as soon as practicable
- receive all alerts for all regions
- where required, provide direction for any follow up actions and ensure a process is in place for the monitoring of the quality of the information in the Critical Incident report.

After Hours Child Safety Service Centre:
- undertake the required actions as per this policy for Level 1 Critical Incident notifications received between 5pm and 9am and weekends and public holidays.

Governance, Corporate and Executive Services:
- provide advice to departmental staff in relation to policy application and required actions
- initiate the closure of reports where appropriate advice has been provided by the responsible area and follow up any required actions and activities.
Compliance Services:
- provide advice to departmental staff on incidents referred within the jurisdiction of Compliance Services.

Information Services:
- monitor and action access requests for the Critical Incident Reporting Management System and ensure requirements are reviewed periodically.

All departmental officers:
- advise the appropriate person of the incident and their intention to submit a Critical Incident report
- complete the Critical Incident report using the online form
- staff who do not have access to a computer should verbally notify their manager of the incident and fax/email the details to the regional office/service centre, for regional staff to submit the Critical Incident report within applicable timeframes
- undertake follow-up actions as requested or required.
